DECISION SNAPSHOT

Why it may or may not fit

WHY IT STANDS OUT

Transparent flat 5 monthly pricing without long-term introductory discounts or annual lock-in.

WHAT TO WATCH

No free tier, payment is priced in EUR, and some streaming or convenience use cases may favor other VPNs.

WISETECHLIST TAKE

The short verdict

Mullvad is a standout for buyers who dislike teaser prices and long contracts. Its consistent 5 monthly fee and privacy-first signup are easy to understand, although the final USD value varies with exchange rates.
