DECISION SNAPSHOT

What matters most

Claude

Strength: Claude combines strong reasoning with Claude Code, Cowork, connected apps and MCP tools, editable deliverables, skills, and browser/computer use on eligible plans.

Watch out: Agentic work, computer use, connectors, and quotas vary by plan, platform, and rollout;

Grok

Strength: Combines real-time X and web context with reasoning, Grok Build, voice interaction, and Imagine image and video creation.

Watch out: Availability of Grok Build, automations, model tiers, video generation, and productivity
