DECISION SNAPSHOT

What matters most

Claude

Strength: Claude combines strong reasoning with Claude Code, Cowork, connected apps and MCP tools, editable deliverables, skills, and browser/computer use on eligible plans.

Watch out: Agentic work, computer use, connectors, and quotas vary by plan, platform, and rollout;

Perplexity

Strength: Cited AI search and deep research combined with Computer's multi-model agent orchestration, connected tools, and finished work products.

Watch out: Source citations can still mislead, while Computer availability and usage credits depend on
